

E-FLARE WARNING BEACON

PRODUCT DESCRIPTION:

e-Flare warning beacon, flashing 1-color, standard 4 LED intensity, low battery indicator; amber or red beacon.

- Intensely Bright - Can be seen for over 1/2 mile away without night vision, point fixation and distance judgement problems.
- Portable - Unit is less than 6" tall and weighs less than one pound. Includes lanyard for easy transport.
- Simple To Use - Twist the lens to turn on or off.
- Durable - Waterproof and dustproof, plus e-Flare will survive a 3-foot drop onto a concrete surface.
- Double the Safety - Provide safety by ensuring maximum 360° visibility. No risk of fire or explosion, and there are no toxic fumes or residue.
- Versatile - Easily attaches to belts, clothing, vehicles, traffic cones or signs.

Applications:

Ideal for police, firefighters, airports, traffic control, parking valets, construction sites and other public safety applications. Designed for use in Class 1, Division 2/ Zone 2 hazardous areas.
